

Using Data to Support Instructional Decision Making in Kentucky

Tuesday, May 25, 2010
Kentucky Educational Development Corporation
Ashland, Kentucky

Agenda

- 8:30–9:00 a.m. **Registration**
- 9:00–9:15 a.m. **Welcome**
Introduction by Mr. Stan Riggs, Kentucky Educational Development Corporation
- 9:15–9:45 a.m. **Group Discussion: Key Challenges to Using Data**
Attendees will participate in a roundtable discussion to identify district challenges in using data to support instructional practice. Following the discussion each table will report on their top challenges.
- 9:45–10:00 a.m. **What Works Clearinghouse Resources and Research**
TBD, What Works Clearinghouse (WWC)
An overview of the What Works Clearinghouse Practice Guides; what a practice guide is, how it is created, how it might be used, and the available topics.
- 10:00–10:45 a.m. **Practice Guide Presentation: Using Student Achievement Data to Support Instructional Decision Making**
Dr. Ellen Mandinach, CNA Education
A review of the recommendations from the practice guide, discussed in the context of how the WWC panel identified and assessed the research as well as how the recommendations respond to the challenges identified during the roundtable discussions (followed by a short question-and-answer session with the expert).
- 10:45–11:00 a.m. Break
- 11:00–12:00 p.m. **Workshop: Using Data to Support Instructional Improvements**
Dr. Michael Flory, REL Appalachia at CNA
Dr. Corbin Fauntleroy, REL Appalachia at CNA
Participants will work through the process of identifying measurable goals, data collection and data analysis to support instructional practice,
- 12:00–1:00 p.m. **Lunch Speaker: Using Data at the District Level**
Dr. Terri Cox-Cruey, Deputy Superintendent of Kenton County Schools (tentative)
- 1:00–1:15 p.m. Break

1:15-2:30 p.m.

Data Workshop: Exploring Middle and High School Transitions

Dr. Michael Flory, REL Appalachia at CNA

Dr. Corbin Fauntleroy, REL Appalachia at CNA

Participants will work through an issue surrounding transitions to middle and high school using the techniques identified in the morning workshop. There will be a roundtable discussion around the data provided followed by sharing of insights and questions.

2:30–3:00 p.m.

Kentucky Data Systems

Mr. Robert Hackworth, Office of Secondary and Virtual Learning,
Kentucky Department of Education

An overview of the K DE data systems and how they can support local education agencies.

3:00- 3:30 p.m.

Accessing the Data: Kentucky State Longitudinal Data System

Ms. Mary Lowe, Office of Internal Administration and Support,
Kentucky Department of Education

A demonstration of the KSLDS will be provided to participants that will highlight how to access the data used during the hands-on portion of this event and other data that was deemed important by the participants during the data workshop.

3:30 p.m.

Adjourn

Mr. Stan Riggs, Kentucky Educational Development Corporation
