

## FROM RESEARCH TO PRACTICAL APPLICATION: A WORKSHOP ON CREATING EARLY WARNING SYSTEMS

**REL**  
Regional  
Educational  
Laboratories

### AGENDA

August 26, 2016

#### Goals

- Introduce attendees to the major components of EWS: creating a team, identifying data/indicators to use, and then matching students to interventions.
- Attendees will learn how to identify indicators of risk and the criterion for each indicator, and they will also learn a range of interventions that can be used within EWS.
- Attendees will leave with an understanding of how their own school-level data can be used to identify at-risk students and which interventions to use.

<b>8:00 a.m.</b>	Jason Harlacher, Welcome, Introductions, and Overview of Early Warning Systems
<b>8:20 a.m.</b>	Johann Liljengren and Sarah Frazelle, Overview of Early Warning Systems
<b>8:50-9:30 a.m.</b>	Johann Liljengren, Building Buy-In and Developing a Team for EWS
<b>9:30 a.m.</b>	Sarah Frazelle, The ABCs of EWS? <ul style="list-style-type: none"><li>• Research base for attendance, behavior, coursework</li></ul>
<b>10:30 a.m.</b>	Break
<b>10:45 a.m. -12:00 p.m.</b>	Johann Liljengren, Indicators to Interventions <ul style="list-style-type: none"><li>• Proactive strategies</li><li>• Match interventions</li></ul>
<b>12:00-1:00 p.m.</b>	Lunch
<b>1:00-2:00 p.m.</b>	Implementation and Impact of Interventions <ul style="list-style-type: none"><li>• Monitoring progress</li><li>• Evaluating fidelity of implementation</li></ul>
<b>2:00 p.m.</b>	Break
<b>2:10-3:00 p.m.</b>	Team work time with support from presenters
<b>3:00-3:30 p.m.</b>	Wrap-up and questions, additional work time

*This event is sponsored by REL Central and REL Northwest and is funded by the U.S. Department of Education's Institute of Education Sciences.*

The Learning Series on Early Warning Systems is a coordinated set of technical assistance activities conducted by the 10 Regional Educational Laboratories.
