

Evaluating the Implementation of Educator Evaluation Systems Agenda

October 7, 2015

Objectives

Participants will further their understanding of:

- The publication, *A guide for monitoring district implementation of educator evaluation systems*,
- The tools available in the guide and how they can be modified and used to fit particular state and district needs,
- The ways in which the state of Missouri has used these tools to evaluate and guide implementation of new evaluation systems in the state, and
- The ways in which school districts in Missouri have used the tools to evaluate their own implementation.

- 9:00 a.m.** **Trudy Cherasaro, (REL Central)** Welcome and webinar protocols
Discuss the use of audience participation tools available in the
webinar platform, including polling and asking questions
Overview of webinar
- Goals and anticipated outcomes for this webinar
