Bridge Webinar: Early Warning Systems to Support Students at Risk of Dropping Out of High School

December 14, 2012
9:30–11:30 a.m. ET

9:30–9:40 a.m.

Welcome, Agenda Overview, and Introductions

Sandra Espada, Puerto Rico Alliance Facilitator, REL Northeast and Islands

9:40–10:00 a.m.

Overview

Overview of how states, districts and schools are using an early warning system to support students who are at risk of dropping out with both school-wide strategies and targeted interventions, and to examine school-level patterns in the current school year and over time in order to address systemic issues that may be impeding a student's ability to graduate.
