

Agenda

Rural School Transformation: Learning From School Improvement Grants
August 30, 2016

Objectives

- Disseminate the results of the study *Reshaping rural school transformation: Lessons from federal School Improvement Grants*
- Connect the results of this study to the work of the Center on School Turnaround (CST), one of the U.S. Department of Education's national content centers
- Provide opportunities for participants to ask questions about the study and about resources available from the CST
- Provide opportunities for participants to consider the study results in light of their own work with rural school improvement and to consider how the resources of the CST might assist this work

11:00-11:05 a.m.	Welcome and introductions
11:05-11:20 a.m.	Presentation on rural school transformation study findings
11:20-11:35 a.m.	Panel response and discussion
11:35-11:50 a.m.	Presentation on Center for School Turnaround strategies and supports for rural school improvement
11:50 a.m.-12:00 p.m.	Participant Q&A
