

AGENDA

Building Transformational Geometry Understanding Through Formative Assessment

May 20, 2015

4:00 pm– 4:20 pm

Welcome, Introduction, Framing the Conversation

- Manny Barbara, Vice President, Silicon Valley Education Foundation (SVEF)

4:20 pm–4:40 pm

Smarter Balance Assessment Collaborative Implementation Update

- Neal Finkelstein, Senior Research Associate, REL West at WestEd

4:40 pm–5:10 pm

Post Assessment Data and Student Misconceptions in Transformational Geometry

- Bernadette Salgarino, Mathematics Coordinator, Santa Clara County Office of Education

5:10 pm – 6:00 pm

The Seven Essential Moves of Formative Assessment

- Brent Duckor, Associate Professor, San Jose State University

6:00 pm – 6:30 pm

Facilitated Table Discussion

- Feeder middle school and receiving high school teachers and administrators collaborate to create formative assessments that would help identify the common errors that were present in the transformational geometry post-assessment. Salgarino and Duckor circulate between tables to add to the discussion.

6:30 pm – 6:45 pm

Share Out

- Duckor comments on how the formative measures table groups devised reflect the Seven Essential Moves.

6:45 pm– 7:00 pm
