GOING DISTRICTWIDE: IMPLEMENTATION LESSONS FOR USING EARLY WARNING SYSTEMS AND LOCAL RISK INDICATORS

AGENDA
May 24, 2016
10:00 AM – 11:30 AM PST

Goals

- Review common indicators of an early warning system (EWS)
- Learn about how a district can support schools' use of early warning data
- Understand how districts may determine locally relevant indicators and thresholds in an EWS.

10:00 am – 10:05 am	**Welcome, overview of Regional Educational Laboratory program and EWS learning series, and speaker introductions**
10:05 am – 10:20 am	**Overview of EWS research and practice** • Jenny Scala, Senior Researcher at AIR, will briefly review what an EWS is and provide an overview of common early warning indicators
10:20 am – 10:35 am	**One school's EWS story** • Brian Hunt, Principal of North Davis Junior High School in Utah, will provide context and background for implementing EWS at his school and lessons learned from a pilot project
10:35 am – 10:45 am	**National EWS examples** • Scala will relate the practitioner's experience to EWS implementation practices and challenges nation-wide
10:45 am – 11:00 am	**District support and prioritization** • Logan Toone, Director of Assessment, Research, and Evaluation at Davis School District, will share a district perspective on supporting EWS implementation and the local EWS validation study carried out with REL West
11:00 am – 11:10 am	**Lessons learned and next steps in implementation** • Toone and Hunt will share ongoing EWS efforts at North Davis Junior High School and throughout Davis School District
11:10 am – 11:25 am	**Questions and Answers**
11: 25 am – 11:30 am	**Closing and Surveys**

This event is sponsored by REL West.
REL West is funded by the U.S. Department of Education's Institute of Education Sciences.
