

REL NORTHEAST & ISLANDS: PUTTING RESEARCH INTO ACTION

REL Northeast & Islands at EDC is one of 10 Regional Educational Laboratories funded by the U.S. Department of Education's Institute of Education Sciences.

Our mission is to support a more evidence-based education system by partnering with policymakers and practitioners to conduct applied research and training in **Connecticut, Maine, Massachusetts, New Hampshire, New York, Puerto Rico, Rhode Island, U.S. Virgin Islands, and Vermont.**

More than 80 partners, including representatives from state education agencies, regional service agencies, districts, schools, institutes of higher education, and other organizations, **shape our work.**

Our partnerships include ...

Vermont Universal Pre-K Research Partnership

Rhode Island Pipelines to College and Career Research Partnership

New York Research Partnership for Alternative Pathways

Early Childhood Workforce Development Research Alliance

Professional Learning and Development Research Alliance

Teacher Preparation Research Alliance

Puerto Rico Research Partnership to Promote the Use of Education Data

Social and Emotional Learning Research Alliance

Massachusetts School Turnaround Research Partnership

Regional English Learner Research Alliance

... and address educational challenges faced by students in our region, who include:

- English learners
- Students with disabilities
- Students in rural settings
- Students in urban settings
