

REL SOUTHEAST: PUTTING RESEARCH INTO ACTION

REL Southeast at Florida State University is one of 10 Regional Educational Laboratories funded by the U.S. Department of Education's Institute of Education Sciences.

Our mission is to support a more evidence-based education system by partnering with policymakers and practitioners to conduct applied research and training in **Alabama, Florida, Georgia, Mississippi, North Carolina, and South Carolina.**

More than 160 partners, including representatives from state education agencies, regional service agencies, districts, schools, institutes of higher education, and other organizations, **shape our work.**

Our partnerships include ...

Alabama Math, Science, and Technology Initiative Partnership
Broward Math Partnership
Florida Career Readiness Research Alliance
Florida Colleges Research Partnership
Florida Virtual School Partnership for Student Success in Online Learning
Georgia District and School Flexibility Research Alliance
Improving Literacy Research Alliance
Improving Low-Performing Schools in Alabama Research Alliance
Improving Mathematics Instruction Research Alliance

Improving Schools in Mississippi Research Alliance
Measuring Success through Competency-Based Learning Research Alliance
Mississippi Department of Education Partnership
Post-Secondary Success at Historically Black Colleges & Universities
School Leadership in North Carolina Research Alliance
South Carolina Department of Education Partnership
Southeast School Readiness Partnership
VirtualSC Partnership for Student Success in Online Learning

... and address educational challenges faced by students in our region, who include:

- African American students
- Students in rural settings
- Students in urban settings
