

Kentucky Longitudinal Data System (KLDS): Practitioner Series

May 4, 2016

9:45–10:15 a.m. CST

*Green River Regional Educational Cooperative
Bowling Green, KY*

Agenda

Presenters

- Dr. Lu Young, Research Scientist, REL Appalachia; and former superintendent of Jessamine County Schools, Nicholasville, KY
- Dr. Kate Akers, Acting Executive Director, Kentucky Center for Education and Workforce Statistics

Content/Activities

9:45–9:50 a.m.

Welcome and Introductions

Lu Young

- Welcome and introductions.
- Goals of the presentation:
 - Raise your awareness of the capabilities, products, and services available to you through the Kentucky Longitudinal Data System (KLDS).
 - Explore ways in which school and district staff can use the KLDS to improve decisionmaking and long-range planning.
 - Provide an opportunity for you to offer feedback to the Kentucky Center for Education and Workforce Statistics (KCEWS) about other reports, tools, and training needed related to the KLDS.
 - Provide you with opportunities to ask questions about the KLDS.
- Overview of the structure and content of today's presentation.

9:50–10:00 a.m.

**About the Kentucky Center for Education and Workforce Statistics
and the Kentucky Longitudinal Data System**

Kate Akers

- Brief history of the KLDS.
- Current state of KLDS.
- Future work under way with support from federal grant funds.

10:00–10:05 a.m.

Perspectives of a Former Kentucky Superintendent

Lu Young

10:05–10:10 a.m.

Q & A

Lu Young and Kate Akers

- Your questions about the KLDS and KCEWS.
- Opportunity for you to share with KCEWS what reports, tools, and training you or your district/school staff might need in the future.

10:10–10:15 a.m.

Wrap-Up and Stakeholder Feedback Survey
