

Webinar Agenda: Leveraging Community Partnerships to Address Unfinished Learning in Kindergarten Through Grade 3 Due to COVID-19

Regional Educational
Laboratory
Central

From the National Center for Education Evaluation at IES

Overview

Date and Time: April 7, 2021, from 12:00 p.m. to 1:00 p.m. MT

Location: Virtual

Presenters:

- Carrie McKee, Vice President of Statewide Regional Innovation Centers with Rocky Mountain PBS
- TBD representative from Denver Museum of Nature & Science
- TBD early learning educator from Colorado Department of Education

REL Central Facilitator:

- Anne Butterworth

Description

This REL Central webinar will explore the development and rollout of Rocky Mountain PBS's innovative Colorado Classroom programming, which addressed unfinished learning for students in kindergarten through grade 3. Presenters will provide an overview of the materials and resources available on Colorado Classroom as well as a discussion of strategies that educators, families, and caregivers can use to address student learning needs over the summer. Presenters will also share lessons learned from developing Colorado Classroom programming and explain how community-based organizations can partner with state and local education agencies to support students and families.

Agenda

12:00 p.m.–12:05 p.m. Welcome and Introductions

Facilitator: Anne Butterworth

Butterworth will introduce the presenters and provide an overview of the webinar objectives, format, and platform. A poll will also be conducted to determine attendees' professional roles and the results will be shared with everyone.

12:05 p.m.–12:20 p.m. Introduction to Colorado Classroom

Presenter: Anne Butterworth

Butterworth will facilitate a Q & A session with panelists RMPBS, DMNS, and CDE to share the research base, the alignment of Colorado Classroom materials to the Colorado Academic Standards, and the reach of the materials.

12:20 p.m.–12:55 p.m. Use of Colorado Classroom Materials to Address Unfinished Learning

Presenters: Carrie McKee, TBD, TBD

Facilitator: Anne Butterworth

Presenters will describe how Colorado schools and parents have used Colorado Classroom materials to support student learning. Resources from Colorado Classroom programming that address unfinished learning for students in kindergarten through grade 3 will be shared, as will strategies and lessons learned from the development of the programming. Butterworth will also facilitate a Q & A session with the panelists from Rocky Mountain PBS and the Denver Museum of Nature & Science and a schoolteacher.

12:55 p.m.–1:00 p.m. Closing

Facilitator: Anne Butterworth

Ms. Butterworth will explain how attendees can access resources and a recording of the webinar and will ask participants to complete a feedback survey.
