

Training Session 2 Agenda

Using Data to Understand Administrator Retention, Mobility, and Attrition

Monday, October 22, 2018

11:00 a.m.–12:30 p.m. MT

Virtual training session via Zoom web-conferencing

Description

The virtual training will increase participants' knowledge of methods and findings from research on administrator retention, mobility, and attrition; and SEA data for examining administrator retention, mobility, and attrition in their states. The training session has three objectives: (1) to review research findings on administrator retention, mobility, and attrition; (2) to discuss characteristics of five research studies of administrator retention, mobility, and attrition that use district- and state-level data; and (3) to identify implications of the research literature for participants' SEA data systems and data analysis activities.

Participants: State education agency (SEA) leadership and staff from Colorado, Kansas, Missouri, North Dakota, South Dakota, and Wyoming
