

**Illinois State Board of Education training with
Regional Educational Laboratory Midwest:
Supporting Illinois districts to measure changes in student learning
after COVID-19–related suspension of in-person learning**

**March 3, 2021
10:00–11:30 a.m. CT
Virtual (Zoom)**

Agenda

- 10:00–10:08 a.m.** **Welcome and introductions**
Training facilitators welcome attendees, introduce themselves, and facilitate participant introductions.
- 10:08–10:12 a.m.** **Review of Regional Educational Laboratory Midwest**
Training facilitators introduce REL Midwest, the types of support offered, and the states served.
- 10:12–11:27 a.m.** **Overview of *Learning Changes* toolkit**
Training facilitators provide an overview of the [*Toolkit for Assessing Learning Changes After Spring 2020 COVID-19 School Closures*](#), including common terms used, appropriate audiences, and toolkit organization. Facilitators then will expand on the toolkit’s five modules, providing detail on how to use each. Participants will have opportunities to meet in small groups for discussion. They will be able to ask questions of the facilitators throughout the session.
- 11:27–11:30 a.m.** **Closing**
Training facilitators address final thoughts and questions from participants.
- 11:30 a.m.** **Adjourn**
