

Training to Conduct a Scan of Minnesota Districts’ World’s Best Workforce 2018 Submissions

May 17, 2019

9:00 a.m.–12:00 p.m. CT

Minnesota Department of Education

Roseville, MN

Agenda

- 9:00–9:30 a.m.** **Welcome and introduction to REL Midwest**
Dr. Dominique Bradley will welcome participants and provide an overview of REL Midwest.
- 9:30–10:00 a.m.** **Overview of findings (Part 1)**
Ms. Sukey Leshnick and Dr. Raquel Gonzalez will provide an overview of findings related to district plans to provide equitable access to an excellent and diverse teaching workforce.
- 10:00–10:30 a.m.** **Activity: Data walk (Part 1)**
REL Midwest staff will lead participants through an activity that asks participants to identify answers to guiding questions. Questions will be based on the scan findings of strategies to provide access to an excellent and diverse teaching workforce. Participants will have a chance to share their responses in small groups.
- 10:30–10:40 a.m.** **Break**
- 10:40–11:00 a.m.** **Overview of findings (Part 2)**
Ms. Jennifer Hogg will provide an overview of findings from the scan related to closing student achievement gaps.
- 11:00–11:35 a.m.** **Activity: Data walk (Part 2)**
REL Midwest staff will lead participants through an activity that asks participants to identify answers to guiding questions. Questions will be based on scan findings of strategies to close student achievement gaps. Participants will have a chance to share their responses in small groups, as well as an opportunity to share with the whole group.

11:35–11:50 a.m.

Next steps and strategic planning time

REL Midwest staff will facilitate small group discussion among participants to identify a strategic plan and next steps to achieve that plan. Participants will share their next steps with the whole group.

11:50 a.m.–12:00 p.m. Closing
