

Ohio Department of Education Estimating COVID-19 Learning Loss

August 5, 2020
12:00–3:00 p.m. CT
Zoom call

Agenda

- 12:00–12:13 p.m.** **Welcome, agenda, and goals**
Dr. Bradley will welcome participants, provide an overview of REL Midwest, and review the agenda and session goals.
- 12:13–12:23 p.m.** **Project overview and discussion**
Dr. Bradley will review the project timeline and session topics. She will lead a brainstorming activity with participants to identify goals and concerns for the development of the COVID-19 learning loss toolkit.
- 12:23–2:50 p.m.** **Overview of proposed toolkit components**
Dr. Bradley and Dr. Burkhauser will lead the participants in a walkthrough of the potential components of the COVID-19 learning loss tool kit. These include developing research questions, identifying data sources, determining key factors to consider, interpreting findings, and considering complementary data collection activities.
- 2:50–3:00 p.m.** **Next steps and survey**
Dr. Bradley will lead participants in identifying next steps and ask participants to complete the survey.
- 3:00 p.m.** **Adjourn**
