

Agenda

A Community-Based Approach to Developing a Language Education Policy on Kosrae in the Federated States of Micronesia

International Conference on Language Documentation and Conservation
Honolulu, Hawai'i
March 3, 2019
10:20–10:50

Presented by

Dr. Bradley Rentz, Research Associate, REL Pacific at McREL International
Dr. Katie Gao, Managing Researcher, REL Pacific at McREL International

Presentation goals:

- Provide participants with information about Kosrae's education context, language situation, and motivation for developing and implementing a language policy for education.
- Discuss the stages of implementation in an implementation science framework and how the Kosrae Department of Education is obtaining community feedback and critically evaluating language policy research within the exploratory phase of the process

10:20–10:25 Welcome and overview of REL Pacific.

10:25–10:30 Provide an overview of Kosrae's education and language contexts.

10:30–10:35 Discuss the Kosrae Department of Education's motivations for pursuing a research-practice partnership to develop and implement a language policy for education

10:35–10:45 Review the Kosrae Department of Education's approach to developing a language policy using an implementation science framework to obtain community feedback and critically evaluate language policy research.

10:45–10:50 Question and Answer/Stakeholder Feedback Survey
