

## Examining REL Pacific’s Research-Practitioner Partnerships: Challenges and Successes

2019 Comparative and International  
Education Society (CIES) Annual Conference  
San Francisco, California

Agenda  
Refereed Roundtable Discussion  
April 16, 2019  
5:00—6:30 pm

Presented by  
Ms. Erin D’Amelio, M.S.Ed., Research Associate, REL Pacific at McREL International

### Presentation goals:

- Provide participants at the Comparative and International Education Society (CIES) Annual Conference with information about REL Pacific’s approach to research-focused partnerships in the REL Pacific service region.
- Discuss the theoretical components of these partnerships and how they are implemented in the region, and why this type of partnership is necessary to address high-leverage problems that could result in sustainable improvements in education outcomes.
- Examine evaluations of the REL Pacific partnerships conducted by REL Pacific Governing Board members.

### Presentation Agenda

\* Each individual presenter has 15 minutes to present their own work.

5:00– 5:45pm Presentations (3 presenters, including REL Pacific)

3 minutes Welcome and overview of REL Pacific.

5 minutes Present the theoretical backgrounds of research practitioner partnerships and their implementation in the REL Pacific service region.

7 minutes Review the evaluations of REL Pacific Partnerships from REL Pacific Governing Board members.

5:45–6:30pm Question and Answer Session

REL Pacific staff will distribute and collect Stakeholder Feedback Surveys at this time.
