

Practical Measurement for a New Kind of Transition Course in the Commonwealth of the Northern Mariana Islands: Roundtable Discussion

Agenda

October 5, 2018, 2:00—3:00 p.m. HST

Honolulu, HI

Welcome

- Drs. Max Altman and Phillip Herman will introduce themselves and the REL program and provide a brief overview of the goals for the session.

Context and Overview: REL Pacific's Transition Course Work

- Drs. Altman and Herman will provide a brief overview of REL Pacific's current work supporting the CNMI Alliance for College and Career Readiness and Success in their work developing a mathematics transition course.

Roundtable Discussion

- Drs. Altman and Herman will facilitate a roundtable discussion on transition course development and measurement in the Pacific region. Roundtable participants will also have the opportunity to guide the discussion to focus on transition course development/measurement and other college readiness issues within their own contexts.

Wrap-up and Survey
