

Understanding and applying the evidence base for the Texas Education Agency's strategic school actions

Date: February 19, 2021
Time: 11:30 a.m.–1:00 p.m. Central time

Participant agenda

Session objectives

- To increase the knowledge and awareness of participants on research related to their strategic school actions.
- To discuss the problems of practice and possible strategies when implementing school actions based on research findings.
- To support the Texas Education Agency in the development of dissemination strategies on how best to share the relevant research on strategic school actions to school improvement coaches.
