

# Teacher collaboration for English learner instruction in Rio Rancho Public Schools: Session 4—Debrief

May 5, 2021  
7:30 – 8:30 am mountain time

## Participant agenda

### Meeting objectives:

1. To debrief about participant experiences in the teacher collaboration for English learner instruction framework and discuss strategies and practices your teams would like to continue to foster.
2. To collect feedback from participants to improve the collaboration framework process and resources.
3. To reflect on takeaways and lessons to adopt for future replication.

### Presenters:

Brenda Arellano, PhD, REL Southwest, barellano@air.org

Rebecca Bergey, EdD, REL Southwest, rbergey@air.org

Lisa Hsin, PhD, REL Southwest, lhsin@air.org

### Session Materials:

Handout 1: Draft Collaborative Framework

Handout 2: Collaboration Framework Site-based Discussion Tool

Time	Topic and Description
<b>5 minutes</b>	<b>Welcome</b> Review of meeting objectives
<b>30 minutes</b>	<b>Feedback and Reflection on Teacher Collaboration Framework, Process and Vocabulary Instruction Resources</b> REL SW staff will work through the framework, process, and resources to gather feedback from participants on their experiences in the training through an interactive format.
<b>15 minutes</b>	<b>Final takeaways and future replication</b> REL SW staff will ask participants think on big picture reflections and takeaways, as well as feedback for future replication of the process to produce a set of updated training materials.

**5 minutes**

**Closing and next steps**

REL Southwest staff will discuss how participants can access the resources shared during the training, as well as encourage participants to take a Stakeholder Feedback Survey to inform the Institute of Education Sciences (IES) of progress towards training goals.
