

Pre-Educator Pathway evaluation planning: Developing a logic model and research questions

Date: August 4, 2021
Time: 12:00–2:00 p.m. Central

Agenda

Participants

The primary participants for this project include the following individuals from the Louisiana Department of Education:

- Nicole Bono, director, Educator Preparation Policy
- Toriano Hayward, director, Teacher Leadership Development
- Em Cooper, deputy assistant superintendent, Educator Development

Session objectives

- To describe the scope and purpose of the overall project.
- To review the general concept, purposes, and components that make up a logic model.
- To guide participants in drafting a program logic model for the Louisiana Pre-Educator Pathway.
- To facilitate the development of draft research questions.
- To discuss the plan for the next session’s activities.
