

REL WEST WEBINAR

Using Learning Huddles to Improve Teaching and Learning

September 25, 2018

1:00 – 2:00 PM Pacific

Participants will:

- Learn more about the theory and practice of teacher learning huddle discussion protocols and how they reflect an improvement science *Plan Do Study Act* inquiry cycle;
- Through huddle examples from WCSD, understand the design features and leverage points to facilitate learning about instruction; and
- Explore ways to support teacher learning through inquiry in their context.

1:00 pm **Introductions, Framing the Problem**

- Kim Austin, REL West at WestEd

1:15 pm **Why Learning Huddles?**

- Sola Takahashi, REL West at WestEd

1:25 pm **Putting the Learning Huddle Format into Practice**

- Darl Kiernan, Northwest Regional Professional Development Program

1:45 pm **What Have We Learned So Far?**

- Kim Austin, REL West at WestEd

1:55 pm **Closing and Surveys**

Presenters will remain online for 10-15 minutes for extended Q and A
