## **Seizing the Moment: Race Equity Mindsets, Social and Emotional Well-Being, and Outcomes for Students**

October 30, 2020

12:00–1:30 pm Pacific

District and school practitioners will:

- Gain insights into research on the interrelationships among race equity mindsets, social and emotional well-being, and outcomes for students.
- Learn about promising and practical strategies for shifting mindsets to advance equitable learning environments; positive relationships among educators, students, and families; and agency and belonging for all students, especially Black, Latinx, and other students of color.
