

## Assessing Evaluation Questions

<b>Evaluation Question:</b>		
<b>Does the Evaluation Question Meet This Criterion?</b>	<b>Yes</b>	<b>No</b>
<b>1. Pertinent</b>		
Does your evaluation question relate to the information that program stakeholders want to obtain from the evaluation?		
Does your evaluation question relate directly to specific components of your program logic model?		
<b>2. Answerable</b>		
Can your evaluation question be answered using available and attainable data?		
<b>3. Reasonable</b>		
Does your evaluation question link to what your program can practically and realistically achieve or influence?		
<b>4. Specific</b>		
Is your evaluation question clearly worded?		
Does your evaluation question avoid broad generalizations?		
<b>5. Evaluative</b>		
Will your evaluation question produce actionable answers and inform next steps?		
<b>6. Complete</b>		
Does your set of evaluation questions address all the logic model components that are of critical interest?
