

Research Workshop Series Session 4: Rubrics

January 17, 2018

9:30 a.m.–12:00 p.m.

Room 349

Presenter: Jill Walston, REL Midwest

Agenda

The goal for this workshop is to present information on the appropriate use and development of rubrics for various applications in education research. The process for developing a rubric will be described and participants will practice the process. Participants will apply their knowledge to review a Wisconsin DPI–developed rubric draft.
