

Train the Trainer Networked Improvement Community: Sustaining PDSA Work, Session 2

**November 11, 2021
3:00–4:30 p.m. Central Time
Zoom Meeting**

Agenda

- 3:00–3:10 p.m.** **Welcome, agenda, session goals**
Ms. Laura Checovich will review the agenda, session goals, and timeline. She will facilitate introductions.
- 3:10–3:20 p.m.** **Rapid review: Preparing for PDSA cycles**
Ms. Checovich will review the components of the PDSA cycle and the steps taken to prepare for engaging in PDSA cycles.
- 3:20–3:40 p.m.** **Practicing a PDSA cycle**
Dr. Dominique Bradley and Ms. Checovich will introduce a fictional scenario—Roots and Shoots High School—to practice preparing for a PDSA cycle. They will review how Roots and Shoots progresses through developing an aim statement; conducting a root cause analysis; developing a driver diagram; and identifying process, progress, and outcome measures.
- 3:40–3:45 p.m.** **Break**
- 3:45–4:20 p.m.** **Change idea and data review**
Dr. Aleksis Kinkaid will guide participants through the change idea selected by the fictional Roots and Shoots High School. He will describe how Roots and Shoots developed an implementation plan and PDSA trail trackers to track its measures. He will review fictional data sets associated with the scenario. Participants will work in small groups to review the data sets, identify patterns in the data, and recommend changes to approach in the next PDSA cycle for the fictional school. Participants will then share their discussions with the group.

4:20–4:30 p.m.

Closing and next steps

Dr. Bradley will lead a round robin discussion, asking participants to share next steps. She will then thank participants and close the session.

4:30 p.m.
