State Education Priority

Illinois provides early childhood education support through a robust Birth through Third Grade (B-3) Continuity Project, with support from community partnerships and comprehensive services through the foci of curriculum alignment, parent engagement, and assessment.

To learn about how Regional Educational Laboratory Midwest is helping Illinois and other states in the Midwest support the continuous improvement of educators through research-practice partnerships, visit the REL Midwest website:

ies.ed.gov/ncee/edlabs/regions/midwest/default.aspx

1. Districts include regular local school districts, supervisory union administrative centers, regional education services agencies, county superintendents, state-operated institutions which serve special-needs populations, and federally operated institutions.

2. Schools include public elementary and secondary schools, career and technical schools, charter schools, schools that provide instruction virtually, and schools run by state agencies.

3. School locale code definitions can be found here: https://nces.ed.gov/ccd/pdf/2016077_Documentation_062916.pdf
* Less than 1% of the state's students identify as American Indian or Alaska Native.
