

Research Alliances and Partnerships in the Northeast & Islands Region

REL Northeast & Islands collaborates with stakeholders through research alliances and partnerships focused on high-priority issues in education.

ALLIANCES

Alliances include researchers. practitioners, and policymakers from multiple states and territories who seek evidence-based solutions to a broader problem of practice.

Alliance

OUR ALLIANCES

Early Childhood Workforce **Development Research** Alliance

Professional Learning and **Development Research** Alliance

Research Alliance

PARTNERSHIPS

Partnerships bring researchers together with practitioners and policymakers from a single state or territory, and may bridge different offices to best tackle specific research needs.

OUR PARTNERSHIPS

Massachusetts School Turnaround **Research Partnership**

New York Research

Alternative Pathways

Partnership for

Puerto Rico Research Partnership to Promote the Use of Education Data

Rhode Island Pipelines to College and Career **Research Partnership**

Vermont Universal PreK **Research Partnership**

Both alliances and partnerships craft research agendas to address high-leverage issues in their states or districts.

Social and Emotional

Teacher Preparation

Learning Research

The collaborations result in applied research studies, tools, coaching, and trainings that advance data-based decision making.

Alliances and partnerships use and disseminate actionable research to inform education policy and practice.
