# Regional Educational Laboratories

# How does REL Southwest do this work?

REL Southwest works with state education agencies, districts, and other stakeholders to develop and apply research evidence to **meaningfully improve student outcomes**.

REL Southwest supports **six** collaborative research partnerships to address the regional needs, priorities, and interests of five states: **Arkansas, Louisiana, New Mexico, Oklahoma, and Texas**.

Don't forget to tell us what you thought about the webinar by completing our stakeholder feedback survey.

Your responses help us create better events in the future.
