

## Spotlight on research partnerships

Check out our new handouts to learn more about the education issues our research partnerships are addressing.

- Southwest College and Career Readiness, AR
- Southwest Early Childhood Education, OK
- Southwest English Learners, NM
- Southwest Networked Improvement Communities, OK
- Southwest School Improvement, TX
- Southwest Teacher Preparation and PD, LA

## Webinar Archive and Recap

### Research-based, trauma-responsive education practices

Did you miss our March 28 webinar on trauma-responsive practices? Read the highlights, view the recorded presentations, and explore the archived resources to learn about current research in the field and how to create a trauma-responsive school environment.

## Resource Roundup

### REL resources on trauma-responsive practices

Understanding trauma and its effects is critical for supporting student success. To assist educators in implementing trauma-responsive practices, we rounded up resources on this topic from across the REL program.

## Blog Post

### Demystifying ESSA tiers of evidence and the selection of evidence-based practices

REL Southwest and the Oklahoma State Department of Education are partnering to help local education service providers and districts understand and apply the Every Student Succeeds Act (ESSA) tiers of evidence.
