

REL West Webinar:

High-Quality Tutoring to Accelerate Learning: Implementing and Improving Your Program

October 14, 2021
1:00–2:30 PM Pacific

Participants will:

- Learn about factors to consider during four phases related to planning for and implementing tutoring programs
- Explore evidence-based tools to use when launching tutoring programs and engaging in continuous improvement with districts and schools
- Hear examples and lessons learned during the four phases from pilot sites as they implemented tutoring programs
- Have an opportunity to ask questions and receive resources to guide their own work
