

REL West, REL Northeast and Islands, and REL Northwest Webinar:

**Helping Young English Learners at Home:
Simple and Fun Activities to Strengthen Language Development**

February 3, 2021

3:00–4:30 PM Pacific

Participants will increase their understanding of:

- Research-based practices in the What Works Clearinghouse 2014 English Learner Practice Guide
- Ways the family and caregiver activity sheets (FCAs) can be used to strengthen language development of their children at home with simple and fun activities
- Ideas for reaching out and supporting families and caregivers as they use the FCAs
