

AMMP! Caregiver Perception Survey

Which Evaluation Question(s) Am I Trying to Answer?

What barriers exist that prevent AMMP! participants from completing homework?

How many students attend AMMP! each month?

Introduction and Purpose

Thank you for taking this brief survey about AMMP!. The survey will take about five minutes to complete. The district will use the information to help decide on next steps for AMMP!. Your information will be shared with only the district, in combination with others' information. We are not collecting names, so your information will be confidential. However, we cannot guarantee complete anonymity. We would really appreciate your honest opinions so that the district can make the best decisions moving forward. Completing this survey means you give consent for us to use the answers in the district report.
