How does REL Southwest do this work?

REL Southwest works with state education agencies, districts, and other stakeholders to develop and apply research evidence to **meaningfully improve student outcomes**.

REL Southwest supports **six** collaborative research partnerships to address the regional needs, priorities, and interests of these states: **Arkansas, Louisiana, New Mexico, Oklahoma, and Texas**.

Webinar outcomes

- Understand the importance of fostering strong relationships with families while supporting learning at home.
- Increase understanding of promising resources and strategies that can support preK and kindergarten learning at home, including a database of early childhood education and kindergarten resources created by REL Southwest.
- Consider insights, ideas, and implications for implementing promising practices to support preK and kindergarten learning at home.

Don't forget to tell us what you thought about the webinar by completing our stakeholder feedback survey.

Your responses help us create better events in the future.
